**JOINT MOTION FOR CONTINUANCE**

Bill Nettles, on behalf of Defendant Anthony Hartman and Rhett DeHart on behalf of the United States Government, respectfully request this Court continue the change of plea hearing scheduled for July 26, 2021 until the next term of court. This joint motion comes as the parties are actively engaged in plea negotiations and both parties feel the ends of justice would be served by continuing the change of plea hearing to the next term of court.

Respectfully,
